

Learning Styles: Elevating the Emphasis on Context & Meaning

Modalities Table

modality, *noun* – a particular mode in which something exists or is experienced or expressed.

Thinking about the variety of training formats available through Spiirall, and the explanation for what the format entails, what expectations do you have for VARK learning preferences to be present in the content? Fill out the VARK column, using the acronym for each learning preference you expect to be addressed (at minimum).

Format	Explanation	VARK	Sponsors
Group Internet	Live course delivered in a virtual environment		Spiirall, Becker, Cognificent, Surgent
Group Live	Live course delivered in person		Spiirall, Spiirall Vendor Partners
SS – Adaptive	Self-paced learning that adapts the content to the learner's needs		Amplifire
SS – Download	Reading material with a qualified assessment		Surgent
SS – Gamification	Gamified application-based content		Surgent
SS - Interactive	Self-paced learning delivered electronically, may use a variety of elements including video, quizzes, simulations, and other interactive elements		Open Sesame
SS - Podcast	Narrated audio-based content, often w/downloadable visual aid		LumiQ
SS – Webcast	Prerecorded Group Internet		Becker, Surgent
