

Vital Education Rally That Inspires Growth Opportunities

Beyond the Compliance Survey: Measuring the True Impact of L & D

Evaluation Plan

Program Name: _____

Problem or skill gap being addressed (root cause):

Program Stakeholders:

Level 1 method:

Level 2 method:

Other levels and methods:

How will you use the data collected?

Questions to consider: How has this training impacted the root cause identified in the needs analysis? How has this training impacted the business objectives of the firm? Who will you share the information with? When and how will you share it? Are there other areas/departments of the firm that could benefit from this training?
