

Raffle Student Incentive

STUDENT INCENTIVE The Board of Directors is offering the same student incentive as in past years, for every \$150 worth of Raffle Tickets sold the student will get one \$60 entry fee paid for state finals entries fees. Both High School and Junior High students are eligible. These will be due no later than the Gillette Rodeo (May 9-11) for both High School and Junior High. No limit on the number of entries that can be earned but they apply only to entry fees for State Finals. Contact Ken Persson for Posters and tickets. Parents may pick up tickets for their kids. Take advantage of the incentive and save some money come Finals.
