

## NEW THIS YEAR!!!!

Due to clubs getting smaller which makes putting on rodeos harder and in some cases near impossible the board has implemented a new rule for the 2026-2027 season. Every Wyoming High School and Junior High Rodeo member **MUST** do 1 of 2 options.

Option 1: Member must become part of a rodeo club that puts on a rodeo. That member must print the signoff sheet and have the adult club secretary sign off that you and/or your parents helped at the rodeo and/or got sponsorship for the rodeo. If you do not have the form uploaded to your portal before June 2, then you will not be able to participate in State Finals.

Option 2: Pay a \$500 fee that will go to clubs having rodeos to help pay for help and expenses. This will be due and paid for at the first rodeo you attend.

Every member must fill out the bottom of this page so that we know what the intent of the member is.
