RE: Locations for the 2025 & 2026 WHSRA State High School Finals Rodeo5

Dear Facility:

We are respectfully asking for bids/proposals from facilities interested in hosting/holding our 2025 and 2026 Wyoming State High School Finals Rodeo. I have enclosed a copy of the 2023 State Finals Schedule as a reference.

The dates we have established for the High School State Finals Rodeo are:
2025 – June 2- 7, 2025
2026 – June 1-6, 2026
(move in dates would be 2-3 days prior, move out 1 day after)

As a reminder, we will accept bids/proposals from a facility as a ‘hosted event’ or ‘non-hosted event’ or combination thereof. The WHSRA reserves the right to accept or refuse any bid for any reason!

You will find a ‘specification sheet’ enclosed, but please feel free to contact me or our President Barry Hayden in you have any questions regarding this process. My number is above and Barry’s is 307.299.4055 or Shelly Thompson our state secretary-308.430.3440.

The deadline to receive these bids/proposals is January 1, 2024 (to the address listed above).

Facility amenities (arenas, stalls, hookups) have a listed ‘minimum requirement’, while the activities/events list indicates some specific facility requirements, which may or may not be located on the actual grounds of the proposed facility. The ‘other amenities needed’ list contain items that we will need to review for each potential location. They are all vital to the overall success of our State High School Finals, but each may have a variety of options/preferences to our board, so any insight you have or can provide with your bid/proposal would be helpful in our selection process.

We look forward to hearing from you in the near future and please feel free to contact Dixie, Barry or Shelly with any questions!
