Garment(s)/Item(s) Description:

Terms and Conditions

Please read and sign this agreement prior to any work being performed.

1. Pre-Cleaning Requirement

All garments/items must be **prewashed and clean** before any work is performed. Items presented for tailoring that are soiled, odorous, or visibly unclean will be declined. I reserve the right to refuse service if this requirement is not met.

2. Sign-Off Before Work Begins

All work must be **signed off and approved by the client** before any tailoring, modifications, or alterations begin. This includes measurements, requested services, and pricing. Once approved, changes to the scope of work may result in additional charges.

3. Liability Waiver

I am **not liable for any damages** to garments, including but not limited to:

- Damage resulting from the garment's original construction, condition, or material
- Shrinkage, color bleeding, or warping due to unwashed fabrics
- Pre-existing flaws, weak seams, or hidden damage
- Incompatibility of alterations with the original garment structure

4. Fittings & Adjustments

Fittings are part of the tailoring process and may require multiple visits. I will do my best to meet your expectations, but once garments leave the premises, any adjustments will be considered additional services.

5. **Garment Pickup**

Completed garments must be picked up within **7 days** of the completion date unless otherwise arranged. After 7 days, storage fees may apply. Garments left unclaimed after **30 days** will be considered abandoned and may be donated or discarded.

6. **Custom or Costume Work**

Custom or costume garments may require special considerations. All custom work is final. Due to the unique nature of costumes and custom work, **no refunds** will be issued once work has started.

7. **Turnaround Time**

Turnaround times vary based on complexity and schedule. While I strive to meet deadlines, rush orders must be approved and may incur additional fees.
