An Invitation to Join...

The Northwest Federation of Stamp Clubs has some 35 member clubs and philatelic organizations in Alaska, Idaho, Montana, Oregon and Washington as well as British Columbia, Alberta and Saskatchewan in Canada, and its territories. With the exception of a short period of inactivity during WW II, the organization has served as a common cause meeting ground for organized philatelic interests within these states and provinces. The federation hosts PIPEX (Pacific International Philatelic Exposition), an annual APS World Series of Philately (WSP) show.

The Federation is the only organization of its type with cross border membership and WSP exhibition sponsorship. It continues its member organization communications with THE FEDERATED PHILATELIST newsletter. The annual Federation meeting takes place at the club hosted site of the annual PIPEX show.

Please visit the NWFSC's website. On this site we have listed information of interest to collectors in the Pacific Northwest. On this page and the ones that follow, you will find links to a wide variety of information, including:

1. A calendar of events listing all stamp shows and bourses in the Pacific Northwest, updated for 2021
2. A listing of all member stamp clubs in the Pacific Northwest
3. A list of all Northwest Federation awards presented since 1960.
4. TPF Journal Archives

The Federated Philatelist Journal is published quarterly the first week of every March, June, September and December. Deadlines for submission are every February 21, May 24, August 24 and November 23.

The Mask is Off

by Dr. Darin P. Cherniwchan, FVPC, BCPS, BNAPS, RPSC, PSSC, CPGSB

What a winter this has been! From waves of atmospheric rivers, flooding, landslides and catastrophic damage to civil infrastructure, to Omicron and now the unimaginable war in Ukraine, it's been unsettling, indeed.

But, as the mask mandates start to lift and, with fingers crossed, we will be able to re-connect in ways similar to that experienced prior to 2020.

The cover of this edition of The Federated Philatelist highlights this re-opening of in-person philately.

April 2022 is a very big month for the Northwest Federation of Stamp Clubs! In particular, two significant events will be taking place.

On Saturday, April 2nd, in Moses Lake, Washington, the 30th Annual John D. Arn Philatelic Symposium will be held. A significant portion of this Journal will be dedicated to this marvelous event. I encourage anyone who is able, and especially if you haven't come out of the "COVID cocoon," to join us with one of the best single day philatelic events anywhere!

And, at the end of the month, PIPEX 2022 will resume in-person attendance from April 29th to May 1st, 2022. The 3-day event will not disappoint. Another significant portion of this edition of the Journal is designed to promote and get you excited about this exhibition. Come out and have fun!

With the advent of virtual philately during the pandemic, and now with the resumption of in-person conferences, symposiums and club meetings, I am more excited about the hobby than ever!

And to that end, happy stamping!

I must take a moment to pause and reflect on what is happening in Ukraine. As a grandchild of Ukrainian immigrants on both sides of my family, I am heart-broken as I sit and watch the images shown on TV. English is my second language; I stopped speaking Ukrainian and started speaking English at the age of 4 when our family moved from Alberta to BC. I was able to rekindle some of my Ukrainian during a visit in Kijiv in 1993 while participating at a World Health Organization meeting aimed to westernize the region's health care system. Thirty years later, everything that this nation has worked so hard at to achieve as a democracy is suddenly being threatened. I pray for Ukraine, its people and for democracy the world over.

Albuquerque, New Mexico
January 23, 2022

The Federation just received a donation in memory of Major Jack Congrove for \$50.00 from the 1st Battalion, 92nd Field Artillery. Oddly the only thing in the envelope was the cheque and a blank piece of paper. Sent from Mrs. Erlinda Hourigan, Albuquerque, NM. Nice cancel on the envelope and it went through with only a Forever stamp on it.

Who was John D. Arn?

Curated by Darin Cherniwchan

Major John D. Arn, OSB lived a full life. He died ten years ago; his legacy lives on. The following passages help describe the man for which the John D. Arn Philatelic Symposium is named.

John D. Arn was born in the mid-1920's in Cincinnati, Ohio. He served in the US Navy during World War II. His career with General Electric and Honeywell afforded him the opportunity to live in many regions of the USA. For five of these years, he and his family live in Sao Paulo, Brazil. An avid outdoorsman - fisherman and photographer - and Boy Scout leader, John spent much of his spare time with nature. After he retired in 1987, he devoted his time to philately- and became an accomplished collector. He exhibited around the country and internationally, and won numerous awards- including several "Golds." He started The Corgi Times , a publication of the Elizabethan II Study Group under the auspices of BNAPS-the Society for Canadian Philately (see below). He also was the founder of the Moses Lake Inland Northwest Philatelic Day- and ran it for 19 years. He was awarded the prestigious Order of the Beaver (the Honorary Fellowship of the British North America Philatelic Society "BNAPS" - see page 9 below). During his life, he helped under-privileged kids go to scout camp, mentored young men in business and supported environmental causes. - taken from the The Spokesman-Review April 2012"

John D. Arn White Queen Award

"The John D. Arn White Queen Award is presented on behalf of the Elizabethan II Study Group to recognize and encourage exhibitors for excellence of presentation of Canadian-only Elizabethan II material. "White Queen" is the nickname given to a spectacular missing colour error on the 14¢ Queen Elizabeth II definitive stamp issued in 1978. On this stamp, the red back-

ground colour is missing.

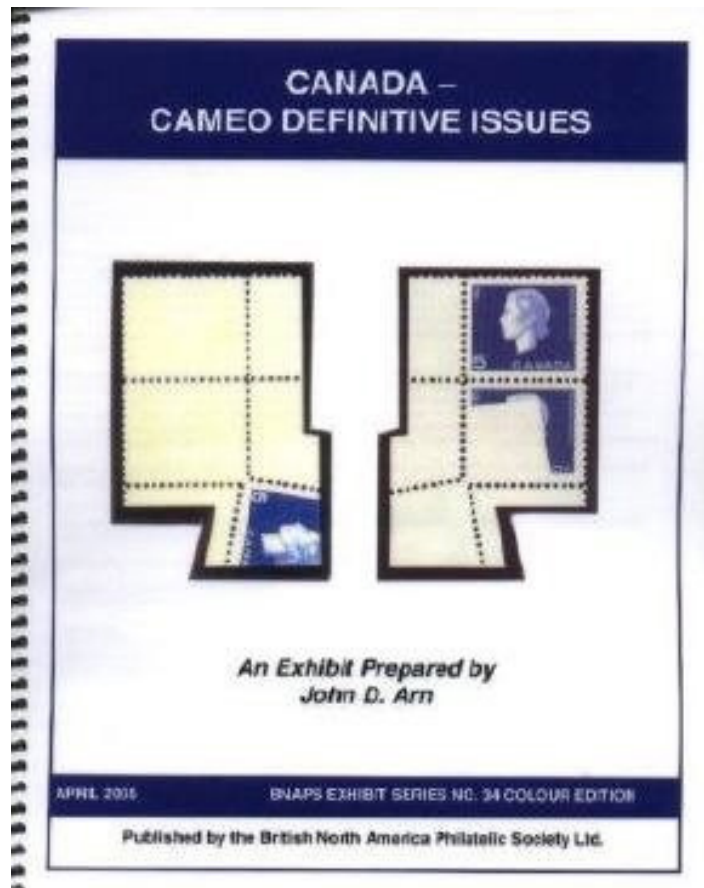

The award, originally called the White Queen Award, was created by John D. Arn in 2004. John founded the BNAPS Elizabethan II Study Group in 1992 and was editor of its newsletter, Corgi Times, from 1992 to 2001. He prepared several major exhibits of Canadian Elizabethan material including one on the 1962-1963 Cameo definitives that won the Grand at BNAPEX/BALPEX 2004 and was reproduced in Canada - Cameo Definitive Issues, a BNAPS Exhibits series book. Several months after John passed away on 21 April 2012, the award was renamed the John D. Arn White Queen Award in his memory." - <https://bnaps.org/archives/awards-elizabethan.htm> accessed January 14, 2022

second showing.

The Cameo Definitives exhibit, his second to receive a Gold award at National level, has caused him to work on two more exhibits he hopes will also earn Gold awards. In recognition of his philatelic efforts, in September 2003 John was inducted into BNAPS' Order of the Beaver." - Courtesy Bill Longley - <https://longleyauctions.com/product/arn-john-2005-canada-cameo-definitive-issues/> accessed January 22, 2022

The Corgi Times 2002/3 XII 2

"Great news to report from BNAPEX 2003 in London, ON.

Our founding member and first editor of the Corgi Times, John Arn, was awarded the Order of The Beaver (OTB).

Some of John's philatelic accomplishments include:

- founder of the ESG in 1992
- Corgi Times editor, 1992-2001

CANADA - CAMEO DEFINITIVE ISSUES

by John Arn (2005)

Published by BNAPS Ltd.

"John D. Arn's CANADA - CAMEO DEFINITIVE ISSUES is only the third exhibit of Canadian stamps or postal history from the Queen Elizabeth II era to win Gold at a National level show in Canada or the United States. At BNAPEX/BALPEX 2004 in Baltimore the exhibit received a Gold level medal from both British North America Philatelic Society (BNAPS) and American Philatelic Society (APS) judges. In doing so CANADA - CAMEO DEFINITIVE ISSUES also became the first ever Elizabethan exhibit to win BNAPS' Horace H. Harrison Grand Award.

The five stamps of the Cameo issue, released between October 1962 and May 1963, remained in primary use only until 8 February 1967 when they were replaced by the Centennial Definitive series. The Cameo definitives were fully involved in the Winnipeg tagging experiment. This was also the early period of use and discovery of fluorescent paper. In addition to normal sheet stamps, miniature panes, coil stamps and booklets were issued, and stamps were also over-printed for official use by Government departments. A number of varieties, some of which are extremely scarce and possibly unique, resulted. Virtually all are included in the exhibit, as are a number of unlisted items. Commercial usage is emphasized throughout the exhibit. Domestically, besides normal first class mail, there were specialized rates for letters mailed ('dropped') to the same city or post office, printed matter and even for mailing election ballot boxes. Internationally, rate schedules were maintained for surface or air mail to the United States, the Americas, the British Empire and non-British Empire UPU Countries, with a detailed schedule of air rates for the rest of the world.

A long-time collector of a number of philatelic areas, for the past 20 years John Arn's interest has focused on the Queen Elizabeth II period of Canada. He founded BNAPS' Elizabethan II Study Group and for nine years was Editor of its newsletter, 'Corgi Times'. In 1993 his Caricature and Landscape Definitives exhibit earned a Gold at the Peach State Stamp Show but was totally destroyed in a winter traffic accident on the way to a

- accomplished exhibitor; winner of multiple national Gold medals
- Chairman of BNAPEX 2002 in Spokane, WA

John joined BNAPS in 1988 and has, in 15 short years, earned the honours of OTB. Congratulations John.

Discussions have been underway over the past several months, including during our visit in London during BNAPEX, to followup on John's suggestion of creating an ElizabethanExcellence in Exhibiting award.

Details are still being planned but you will be sure to hear them first once they havebeen finalized.

John S. Siverts Award

This award is given to the best BNAPS Study Group newsletter during the year. The Corgi Times won this award three times under the editorship of John Arn (in 1994, 1996, and 2000).

John's exhibits include:

Caricature and Landscape Definitives (Gold in 1992), Cameos (just received a GOLD!), the Red Dues (Vermeil), Environment Definitives (in progress), and the 1974 UPU Issue (soon to be 6frames)." - <https://adminware.ca/esg/corgitimes/vol12no2.pdf> accessed 2022.02.12

MEET THE SPEAKERS

Note: Biographies are provided by the speakers.

Larry Crain – Medford, OR: I collect one country from each continent: US, Colombia, Iceland, Mozambique Co, Tannu Tuva, New Zealand. Thematically I collect New World archaeology, astronomy, geysers, stamp shapes, etc. I exhibit in local and national shows: mostly vermeils and silver-bronzes. I like doing fun, sometimes outside-the-box exhibits, such as: Around the World in 80 Covers, Are We There Yet?, E for Effort, Rate Change Confusion, February 29, Easter Island, US Post Offices Named El Dorado, Math Quiz, Mystery History Covers, and others to come.

I am a member of APS, AAPE, ATA, Copaphil and Southern Oregon Philatelic Society. I am currently Executive Secretary of the Northwest Federation of Stamp Clubs, past-president of the Northern California Council of Philatelic Societies, past-president of SOPS, and co-editor of Codex Filatelica (of the now defunct Meso-American Study Unit). I have given presentations in Oregon, California, Nevada, Washington, Illinois, and Iowa – usually on something having to do with “fun collecting.”

Jim Hirstein – Florence, MT: I started collecting stamps, mostly used U.S., when I was in high school in 1961. There was an article in the local paper about how to order first day covers. I started buying and organizing mixtures. I loved finding new stamps, then digging to learn their stories: why were there different perforations? why watermarks? why subtle design changes? My philatelic life completely changed in 1975, when I was a graduate student at the University of Georgia. A friend asked me to help sell her grandfather’s stamp collection. It included three envelopes packed with precancels. I had no idea what these were, so I found the Precancel Stamp Society (PSS) and asked for help. They were so helpful that I joined PSS and have been a precancel collector for over 46 years, with particular interest in Georgia and later Montana. I served as PSS Secretary for 19 years and am currently President. I have worked on many catalog committees and written journal articles. In 2012, the Northwest Federation of Stamp Clubs honored me with their Northwest Distinguished Philatelist Award and I was elected to the Board of the Federation in 2018. My stamp interests continue to grow; new finds always seem to send me in a new direction.

Bill Ailes, Jr. – Spokane, WA: I started collecting stamps when I was eight years old. My Dad's boss gave me a Scott's beginners stamp album and my Grandfather was a stamp collector. I became a serious collector when I was 14, when I purchased my first Harris US Album and attended my first stamp show BOIDAPEX '75. It was quite impressive being able to find all kinds of new stamps and seeing exhibits of rare stamps. I joined the Boise, ID stamp club at the show and enjoyed buying stamps and learning about stamp collecting from Bob and Mary Pyle. In 1980, I took my first vacation alone, and went to the APS StampShow '80 in Spokane. I joined the APS and celebrated my 42nd year as a member. I have been active in many stamp clubs, held several offices and have served as presidents of the Wenatchee, and Tri Cities Stamp Clubs. I am currently the secretary for the IEPS in Spokane. I am a member of the American First Day Cover Society, on the Board of Directors for SEAPEX and The Northwest Federation of Stamp Clubs Historian and Facebook page moderator. I collect U S used Singles, U S First Day and Sports Events covers. I also enjoy presenting programs on first day covers and stamp trivia programs. Over the years, I have presented programs to local stamp clubs, APS and AFDCS National shows and was a presenter at the PACIFIC 97 international show. I am currently a semi-retired caregiver for my mother and worked for 30 years in store management with Kmart. My journeys took me to 8 stores in 3 states. It was an interesting career. I also enjoy sports: golfing and volunteer as a walking scorer, for professional golf tournaments in the Pacific Northwest.

Stan Wills – Spokane, WA: Curator for the Spokane Flag Museum, will do a program called “The History of the American Flag.” Stan established the Flag Museum in 2008 where he has collected over 150 flags of our country’s history. He is a retired navy man who spent 20 years in submarines. He belongs to several Historic Organizations, including Spokane Westerners. Also Sons of the American Revolution, he documented his ancestry back to the American Revolution where his 5th-great-grandfather was the commander of George and Martha Washington’s Body Guard Command. He belongs to the War of 1812 Society where his 4th-great-grandfather was at the Battle of New Orleans. He also belongs to the Sons of the Republic of Texas where his relatives were in the Battle of San Jacinto and one was the first Baptist minister in Texas. Several of his great-great-grandfathers served in the Civil War and he has done programs about that. If it is history related, Stan is there.

TWO AUCTIONS

Auction Managers: Tri-Cities Stamp Club, WA

Auctioneer: Mike Zak

AUCTION I – SILENT AUCTION. You may enter as many lots as you want here. Starting price should be around \$3.00. Bidding increments are not applicable. Lots are awarded to the highest bidder at the end of the designated time. **The Silent Auction is scheduled to end at 3:40 p.m.**

AUCTION II – REGULAR FLOOR BID AUCTION. Everyone is urged to enter at least three lots. Additional lots may be entered at the discretion of the auctioneer.
