Dear Community Member,

We are looking to make the 2023 season even more enjoyable for our children, and you could play a major role in helping make that goal come to realization.

As the Plainfield Midget Football Association, Inc. enters its 52<sup>nd</sup> season, we would like to take this opportunity to thank you for your continued support. We continue to strive to upgrade our complex, increase the safety and enjoyment of our facility, and continue to organize our teams to best accommodate all the children in our community and those surrounding us.

Community donations help us provide the youth of Plainfield, Moosup, Central Village, Wauregan, Canterbury and Sterling with a safe environment that stimulates self-esteem and positive growth. We also promote teamwork and good sportsmanship. While serving 200-300 youth every year we could not do this without your support and depend on the generosity of your business to help us continue.

We are continuing to upgrade our facility and we need to order new uniforms and rely on the continued support of all of our volunteers, Board of Directors, parents, players, and our generous sponsors. Plainfield Midget Football Association is not supported by town tax dollars, but strictly by private donations. Our hope is to provide the youth with a renewed sense of pride in their community.

The Seniors in our program move on to participate in Plainfield High School's Football and Cheerleading programs, and many of them return to our field to volunteer to help coach as well.

Please fill out the enclosed sponsor form so that we may advertise your company. We welcome all our sponsors and their employees to attend the youth football games and view our program for the youth.

We would like to thank you in advance for your generous support. If you have any questions, feel free to contact us at any time. You may also visit our website at, [www.plainfieldyouthpanthers.com](http://www.plainfieldyouthpanthers.com) or our Facebook page, Plainfield Panthers, to see our upcoming events and schedules.

Thank you again for your continued support,  
Peggy Bourey
