If a planned litter does not work out or the litter didn't include your preferred color and gender, your deposit will be rolled to *your choice* of either (1) the next litter that has another chance of your preferred color and gender or (2) that dam and sire's next pairing (usually 4-6 months later). Next steps!

Once we all are ready to move forward, the next step is to place a deposit! We ask for a _____ deposit that goes towards the total puppy price to hold your place in either (1) your chosen litter or (2) when your chosen gender and color puppy becomes available. We accept Venmo, Zelle, cash or check. Deposits are non-refundable as we base our breedings off of our committed waitlist. If your circumstances change and you need to wait to get your new furry family member, we will keep you on our waitlist until you notify us that you are ready again.
