# Mobility Outreach Program

The Regional Transportation Authority (RTA) Mobility Outreach Program strives to increase travel independence by connecting older adults and people with disabilities to public transportation, RTA programs, and local transit options within the RTA region.

To scan a QR code with your phone, **open your device's camera app.**

## What services do we provide?

- Free Group Transit Education seminars
- RTA resource tables
- Fare program card sign-ups
- Participation in outreach events

## Who benefits from our services?

Anyone who would benefit from learning about RTA's Travel Training Program, RTA Fare Programs, accessibility on CTA, Pace, and Metra, transit trip planning, local transit options, and more. This may include:

- Organizations and agency staff that serve older adults and/or people with disabilities, including transition students
- Parents and/or caregivers

## How do you schedule?

Call the RTA Mobility Outreach Program at **312-913-3167** or email **[mm.outreach@rtachicago.org](mailto:mm.outreach@rtachicago.org)** to inquire about scheduling a presentation or event. We will connect you with an RTA coordinator for your area to discuss the next steps.
