Éxodo 17,8-13 2Timoteo 3,14-4,2 Lucas 18,1-8

*"Jesus told his disciples a parable about the necessity for them to pray always without becoming weary" **Luke 18:1***

*"En aquel tiempo, para enseñar a sus discípulos la necesidad de orar siempre y sin desfallecer, Jesús les propuso esta parábola" **Lucas 18,1***

" We at St. Ann's welcome you. Residents of Dayton and Silver City got together for the purpose of bringing a church to Dayton. The old Catholic hall from Yerington was acquired and moved to Pike St. in downtown Dayton in 1937. St. Ann's was upgraded from a mission to a parish August 14, 1996."

Meditation From Father Tom –**Twenty-Ninth Sunday In Ordinary Time**

Calling on God and Faith in God are two different things. One is from the head, the other from the heart and is relational. May we call on God in Faith and Love from the heart.

Meditación Del Padre Tom -**Vigésimo Noveno Domingo del Tiempo Ordinario**

Llamar a Dios y tener fe en Dios son dos cosas diferentes. Una viene de la cabeza, la otra del corazón y es relacional. Que podamos llamar a Dios con fe y amor desde el corazón.

What is the Church's view on having crystal stones or sage in the home to bring in positive energy?

The Church does not have an official position on every possible human action or activity. The Church believes in the discerning principle of maturity and fully expects that the people of God will use the ability that has been entrusted to them by the Creator in a positive manner. The Church understands the power of mystery and the power of symbols but rightfully assigns any "energy" that mystery and symbols may generate to the power of the Holy Spirit. Inanimate objects, by the very definition of "inanimate," do not generate energy. They may be symbols of energy, but they do not have energy in and of themselves.

If you enjoy crystals because of their beauty or because of the way they diffuse light, then there is no harm in having them in your house. If you like the smell of sage, then use it and enjoy it. All symbols have different meanings, depending on how they are understood and used by the people who gathered, collect, and store them for use. These symbols have no power in and of them selves for good or for evil. However, if you live in a culture that has identified the meaning of a symbol, and that assigned meaning contradicts Christian belief and practice, it would be best to avoid that symbol.

PROJECT RACHEL

The month of October, we rejoice for the presence of the Holy Guardian Angels. We pray for all women who have had abortions and all those mourning the loss of an unborn child. May these heavenly angels intercede to open hearts and minds, offering comfort, protection, and guidance. We pray all may experience the profound healing, boundless love, tender mercy, and compassionate embrace of God. This year is the Jubilee Year of Hope. How can we be beacons of hope for those who suffered from the woes of this world? When we encounter those suffering, what words of the Gospel could provide healing to a broken heart?

*If you or someone you know needs support, we invite you to delve into our mission and discover the services we provide by visiting our Diocese of Reno website. For Project Rachel, click on "Our Works" and scroll down to select "Project Rachel" to learn about our dedicated efforts in fostering healing and support. The Archdiocese of San Francisco will sponsor a Project Rachel Women's Retreat for Healing after Abortion, December 12-December 14. Details will be on our website.

*For confidential, non-judgmental, and compassionate support, please contact our Help Line 775-324-4325 or email KarenM@catholicreno.org. We are here to guide you toward peace and healing.
