Meditation For The Thirty-Second Sunday In Ordinary Time

DEAR PADRE

November 10, 2024

TV's "The Chosen" portrays St. Peter as married. What does the Catholic Church say about this?

Scripture gives evidence about earliest Church practice when it says bishops, presbyters (priests), and deacons should be "married only once" (see 1 Timothy 3:2, 12). That means some of them must have been married! Still, the discipline of celibacy for the sake of the kingdom was encouraged from apostolic times as a way to follow the example of Christ. In the 300s, decrees concerning celibacy of the clergy indicate it was becoming the norm.

Peter is the most frequently mentioned disciple of Jesus in all four Gospels. This Galilean fisherman—introduced to Jesus by his brother, Andrew (see John 1:40–42)—became a spokesman and figure of central importance among the other Apostles.

Of the Twelve, some, like Peter, were married. His wife was from Capernaum and their family household may have included his in-laws. According to Scripture, "Jesus entered the house of Peter and saw his mother-in-law lying in bed with a fever. He touched her hand, the fever left her, and she rose and waited on him" (Matthew 8:14–15; see also Mark 1:30–31 and Luke 4:38–39). Moreover, Jesus—who may never have owned a home of his own—made the house of Peter his headquarters when he ministered in Capernaum (see Matthew 4:12–13). This house of Peter and his family was venerated by early Christians. Today, the Church of St. Peter's House sits over the original dwelling.

Diocese of Reno

November 16th & 17th 2024

Dear Brothers and Sisters in Christ,

Our diocese will soon participate in the national collection for the Catholic Campaign for Human Development (CCHD). Your generous support for this collection brings transformative change to communities across the country, empowering those living in poverty to reshape their communities into reflections of the Kingdom of God. For over 50 years, CCHD has successfully reached people on the margins by supporting community-based solutions that address local needs and include local voices, rather than imposing uniform, top-down programs. By enabling low-income individuals to make decisions that affect their lives, families, and communities, CCHD aims to break the cycle of poverty, offering a hand up rather than a handout.

Additionally, CCHD seeks to educate people about poverty and its root causes. This mission aligns with the Scriptures and the principles of Catholic social teaching, promoting justice and empowering the poor to speak and act for themselves.

The Catholic Campaign for Human Development provides Catholics with practical opportunities to demonstrate their love for God and neighbor, reflecting our baptismal mission and ongoing Eucharistic transformation. This initiative is generously funded by Catholics in the United States, particularly through an annual parish collection.

CCHD is a vital part of the Church's social mission in the United States and a unique aspect of the Catholic community's commitment to supporting low-income individuals, families, and communities. This year's collection will take place on November 16th and 17th 2024.

With every best wish and assurance of prayers, I remain,

Yours in Christ,
Most Reverend Daniel H. Mueggenborg
Bishop of Reno
