

Newsletter August 2026

Hello everyone!

It's been a little over a year since our last news letter so we are finally writing a new one. We are currently enjoying our big trip to Canada and Alaska and have had so many wonderful adventures!! We recommend you consider such a trip, it is unforgettable! We got to share Jesus in song at 4 churches in Alaska (Tok, Fairbanks, Delta Junction, Valdez) and also did a song for Camp Meeting in Palmer! In Canada we have done programs in Sylvan Lake, BC, and will soon be at Williams Lake, BC and Kelowna, BC. On our way home we are schedule at 2 churches in Washington State. We appreciate your prayers and encouragement as we travel and especially those who are watching over our place back home!!

We are also building a new type of instrument! It is a Kalimba (Thumb Piano). It is very easy to play and transport, and they are selling fast, we just praise the Lord for His blessing on all of the instrument building and sales!

As 2026 is speeding by, there is no doubt that time is very short! We pray that Jesus will come soon, but in the meantime that He will continue to use us to share His message of love so many many others will come to know and surrender their hearts and lives to Him! And by His grace, may we all stay faithful!! If you would like us to come and do a program for you, let us know, our 2026 schedule is full and 2027

is filling fast!

Have a beautiful day!!

Sincerely,

Don and Donna Mohl
