## A Message From Our President

Happy fall to all our members

I am happy to report that the organization will continue after holding our elections. We have some new faces on our local board. They are as follows: Jenn Byrd has joined the team and is our new Newsletter Director as well as our Secretary. Mary-Beth is taking the role of Sports Director. Esthela Diaz is our new Membership Director. A big thank you to Leslie and Laura for their hard work in their past positions with the OPFA.

We are looking for a few more people to step forward. We need someone to take the role of the Family Director as well as the role of Adult Director. Both are important roles. I hope we can find a few people willing to step forward and take these positions in the weeks to come. If anyone would like to host an event, that would be helpful for the organization. We will also be looking into Fronts games for this season.

Lets work hard together to grow this organization. Pass the word on to family or friends that you know could benefit from being a part of our One Parent Family Association.

Doug

## **GO FRONTS GO!**

**Hi everyone . The Frontenacs are off to another season. Let's support the Fronts again this season. I am looking at Friday November the 7th @ Slush Puppy Place.**

**Members' children and or grandkids are covered by the chapter. Members get \$10 off the ticket price. I will have a exact cost once I contact the ticket office. I need to know by the end of October at the latest if you are coming. Members can bring guests but they must pay the going rate.**

**Contact Doug Brown for tickets 613-888-0271**

## **Leadership Change for the OPFA**

**Doug remains President of the Association but I will help out as the new Sports Director. Doug has accomplished so much over the years, his shoes will be hard to fill. His continued efforts have allowed us all to enjoy volleyball, and although the Association has shrunk since Covid, volleyball remains strong and time-consuming. There's a lot of people who help make VB a success and I hope I can count on those folks to continue to do so. I sincerely look forward to filling the role of Sports Director & you are welcome to reach out via text with any questions or comments.**

**Mary-Beth Walker**

## Update from our Sports Director

Big congrats to our VB folks who contributed \$400 to our One Parent Family Association. Upcoming tourney dates are Nov 1st (Ajax), Nov 29th (Kingston) and Dec 13th (Ajax). 2026 dates will follow in the next newsletter.

**Upcoming Event: Supper on Nov. 22 at 6pm  
Chuck's Roadhouse 2376 Princess Street  
Please RSVP Karla @email below**

**Keep an eye out for details of the family Christmas party  
in our next newsletter!**
