NEWS TODAY: Tennessee Expulsions & RRT, Ban It?

Tennessee Expulsions

On April 6th, 2023, Tennessee representatives voted on expulsion for three of their Democratic members- Gloria Johnson, Justin Jones, and Justin J. Pearson. The motion passed for the latter two of the so-called 'Tennessee Three'. They have since been temporarily reinstated, however the damage has been done. After the Nashville shooting, these three protested on gun reform inside the Republican-led state house. There have been multiple allegations of racism that have not been proven yet. However, with the current state of politics today, anything is possible.

RRT, Ban It?

by Mariah

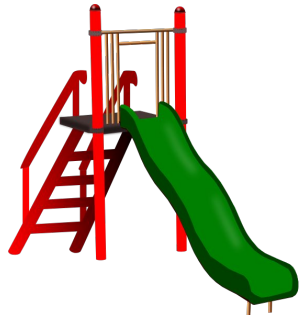

A lot of people think that RRT should not exist, and there are many reasons to support this opinion.

Agree:

- It takes away the only time that teachers have to eat lunch
- Not having RRT would help more children to be less stressed
- Many teachers think that they should be able to have their own time instead of having to take responsibility for kids that haven't gotten their work done.
- If children are given a time to finish their work after it is due then they may get the impression that they don't need to turn in their work on time.
- If a child is placed in RRT then they wouldn't be able to go outside for recess which helps them burn off any energy, and if this energy isn't burnt off their afternoon classes would not be a good time for their teachers.

Disagree:

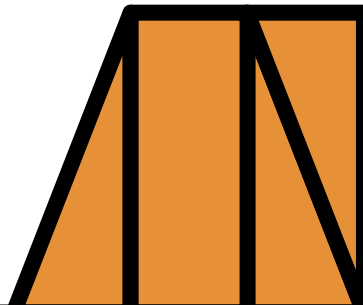

- It shows children that they have an assignment that they have to get done.
- It helps the child get their work done quicker.
- It gives the children a consequence for not doing their work, not being able to have recess.

US Currency

By Ian

The US currency is slowly dying Russia and China have made a pact that they only going to use their currencies for the trading with each other this is a big blow to the American currency not just that but. Saudi Arabia has been selling us bonds this makes equipment a lot more expensive for the military and other corporations. Now this is all just devaluing money and making your money worthless.

Indoor Recess Room, where are thee?

By Jocelyn

People at recess want an indoor room for the spring not just winter because they could have allergies. People who need an indoor room during recess have to either just go outside or volunteer for RRT. Kids need fresh air but they could also have really bad allergies or some other reason to not go outside. We need an indoor room but teachers make all of the other rooms for RRT. So people we need an indoor room.

Review:

Disney On Ice

by Katie Bower

This was a 5 star show.

Reasons:

1. Flounder. The flounder was hilarious. He had legs, and he was an icon.
2. Maui. He looked like a cabbage patch doll.
3. The hook guy from Tangled was just slay.
4. The ice skating was really good.

Magnus Chase and the Gods of Asgard: The Sword of the Summer

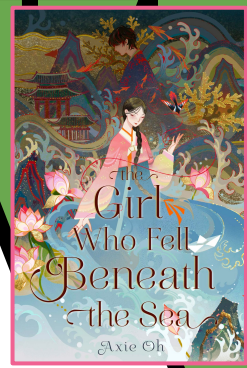

By Rick Riordan

4.5 out of 5 screaming goats

The humor and characters were amazing and unique. You also learn a lot about Norse mythology. The only reason for a mutilated goat is the fact that the plot follows the basic save the world premise.

Book Review: The Girl Who Fell Beneath the Sea

by Ms. Lemoine
2.5/5 screaming
goats

The Girl Who Fell Beneath the Sea, by Axie Oh was OKAY, it wasn't great and it wasn't horrible. The world it built was based on Korean mythology, and had SO much potential, but the plot was entirely too predictable. I wanted to like this so much more than I did.

Vanessa the Vegan Veggie Straw by Emily

On Friday 14, April, a hero was born! I pulled out a veggie straw, but this wasn't any ordinary veggie straw, oh no no no. This veggie straw was VEGAN. So Vanessa the Vegan Veggie Straw was born.

Vanessa lived happily, for a while, until things took a dark turn. Vanessa's family was eaten during lunch time... no one knows who ate them. Soon Vanessa started getting threatened to be eaten. Many people tried to eat her numerous times. Of course, Vanessa does have her fair share of fans! Unfortunately, while writing this article, Vanessa died. I closed my chromebook on top of her, and she broke in two. Vanessa however does have a child, Veronica. Veronica is actually vegetarian. Veronica to this day lives in my lunchbox. If anyone wishes to see her, she's in my lunchbox.
