Betty Riddles

Easy: This thing all things devours;
Birds, beasts, trees, flowers; Gnaws iron,
bites steel; Grinds hard stones to meal;
Slays king, ruins town, and beats
mountain down.

Medium: I have billions of eyes, yet I
live in darkness. I have millions of ears,
yet only four lobes. I have no muscle, yet
I rule two hemispheres. What am I?

Hard: I am something people love or
hate. I change people's appearances
and thoughts. If a person takes care of
themselves I will go up even higher. To
some people, I will fool them. To others, I
am a mystery. Some people might want
to try and hide me but I will show. No
matter how hard people try I will never
go down. What am I?

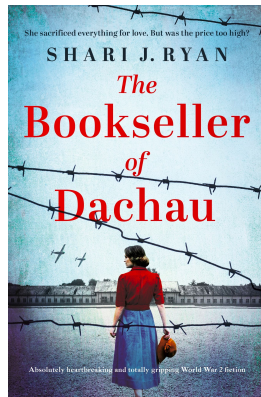

Book Review

by Ms. Lemon

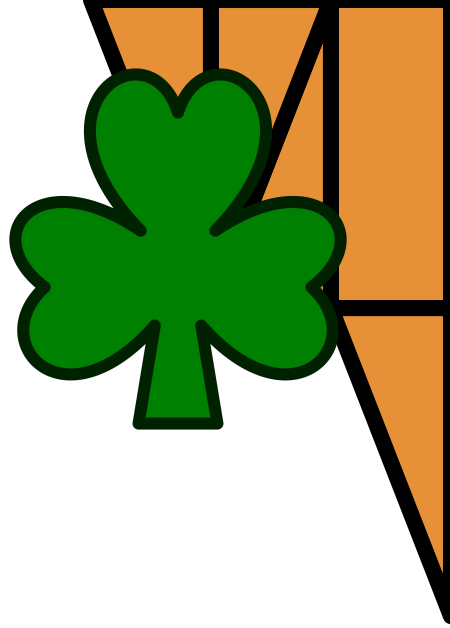

The Bookseller of Dachau by Shari Ryan

I give this book 4 out of 5 screaming goats. This book takes place in two timelines, World War 2 and Modern Day. It follows the story of two female characters, one with her experience during the war, and the other discovering her heritage. It was a good, quick read, however, it was a BIT predictable.
