Band Info!

1. If you are in the MPR from 3:00-4:00, please be quiet. The band is practicing for concerts, and it's so much easier to play if it's quiet.

2. If you are thinking about being in band, ask Mrs. Hurtz! She can tell you the instruments, what we do, and more. There's a few instruments with only 1-3 players, so we need more. We would love for more members in the band.

LOOKING FOR:

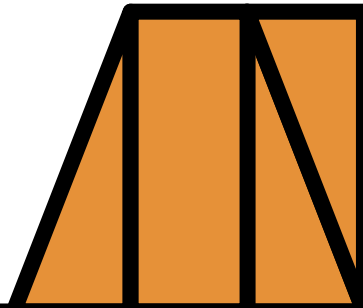

- **Clarinet**
- Alto Sax
- Trombone
- Baritone/Euphonium

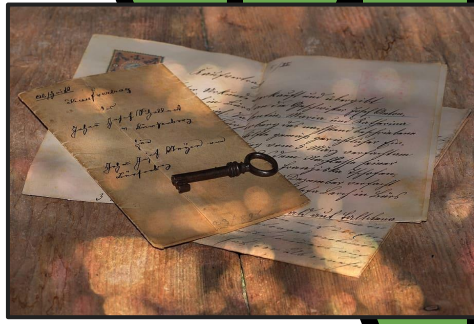

Service as Action!

Klara and Kaylyn are working on a great service as action project! Together they are raising money to get materials that are needed for homeless people. They need YOUR help to spread the word!

Klara: "I went to a football game a couple of weeks ago, it was super entertaining, but then it started to rain really hard. The football field started to flood, everyone had to evacuate. Thankfully, everyone made it home safely. But, the whole way home, I couldn't stop thinking about people who don't have a home to go to. Imagine sitting in the cold, wet rain. I personally don't think it's fair for us to have a warm house to go to while they don't have anything. That's why I want to start this project. So that whenever something like that happens again, they don't have to suffer anymore."

Yearbook Staff- Writing with Kindness

The yearbook staff took action when writing cards for a retirement home to make any person there that doesn't usually get mail, feel loved. They were even drawing little doodles that will make the old people smile. With the cards the yearbook staff were creative in hopes that it made all of the people that got the cards happy. The yearbook staff was very kind to help out the community by writing the cards which we find inspiring and it makes us want to help the community too. So try to give back to your community like the yearbook staff. This took place September 27th. They wrote around 18 cards in total!
