

EAST TROUT LAKE

(Elevation)

(GPS Coordinates)

General: Located close to Prince Albert. Wade out approximately 75 meters in shallow water on a sandy bottom where a narrow weed bed is encountered at a drop off. Weeds go to a depth of 20 feet and then a gradual drop off to 30 feet then an increasing slope. Navigation is easy because of the constant slope. The recommended 3 minute safety stop can be enjoyed on the return to the weed bed.
