**General:** Douglas Park Located on Lake Diefenbaker near Elbow Saskatchewan. We found this spot to have no special features, however the weedy area to the north of the beach seemed to be a good area to see fish.

**Phones:** Pay phone located at the parking lot in front of the beach. A phone is also located at the park access 1.3 kms from the beach.

**Services and Amenities:** Camping is available in the park with very good facilities. Full-service marina located in Elbow at the at the Elbow Harbor approximately 18 kms north. Elbow is a small town with services and stores including gas. There is a boat launch at the south end of the camping area. Washrooms and change-rooms are available at the beach. As well as picnic sites, there is a fast food restaurant located at the beach. There are showers in the campgrounds. The Elbow harbor features a great golf course and a fine restaurant.

**Air Fills:**

**Emergency:**

**DAN Emergency:**

**Nearest Recompression Chamber:**

**Directions to Dive Site:** Douglas Provincial Park is found just off highway 19 approximately 12 kms south of Elbow.

**Diver Experience Level:** This site is suitable for any experience level.

**Entry and Exit Points:** This dive site allows divers to drive within 110 meters of the dive site. By parking in the paved lot, the diver just crosses the grassed area to the beach. Divers using boats can launch their boats just south of the beach.

**Underwater Information:**

- **Depths** According to the depth charts of this lake depth is approximately 15 meters with the deepest spot being 55 meters.
- **Hazards** Visibility is easily lost from silt out. There is a lot of boat traffic in this area.
- **Visibility** Spring 15 feet. Summer 10 feet. Fall and Winter 20-25 feet.
- **Water Temperature**
- **Bottom Contour**
- **Bottom Composition** This area is composed mostly of silt, some sand areas and weed beds in the shallows.
- **Currents**
- **Vegetation**

(Elevation)

(GPS Coordinates)

- **Marine Life**
- **Underwater Attractions**
- **Comments** Since this is a man-made lake, there aren't too many features to be seen under water. However, the topside scenery has sand dunes across the highway and nature hikes along the lake.
