**Entry and Exit Points:**

**Underwater Information:**

- **Depths** 5 to 20 feet.
- **Hazards** Boat traffic due to being close to swimming area. Always use a dive flag.
- **Visibility** Spring averages 25 feet. Summer averages 15 feet. Fall averages 10 – 20 feet.
- **Water Temperature**
- **Bottom Contour** Large rocks.
- **Bottom Composition** Boulders, rocks and sand.
- **Currents**
- **Vegetation**
- **Marine Life** Very active for fish in the spring and mid summer. Obscure marine life.
- **Underwater Attractions**
- **Comments** This is an excellent leisure dive where one can camp in the campsites, suntan on one of Candle Lakes large sand beaches (approximately 2 miles long), fish in the river off of Rock Point and enjoy some scuba diving close by. No boat is required as it is a beginner level shore dive. Refer to bathymetric map.
