

Key Outcomes

The session focused on empowering believers to activate the **Holy Spirit's anointing** for divine health and spiritual victory ¹. The Pastor emphasized that healing is a "good work" and that believers possess the same power that Jesus used to heal the oppressed ²³. The primary takeaway is that faith must be coupled with intentional action—"flipping the switch"—to release God's power into physical and spiritual circumstances ⁴⁵.

Spiritual Principles of Anointing

- **Nature of the Anointing:** It is described as God's manifested presence, power, and authority living within the believer ¹.
- **Activation:** The anointing is compared to electricity; it must be channeled and activated through faith and the spoken Word to be effective ⁴⁶.
- **Purpose:** Believers are called to live in abundance and use their anointing to break "yokes of bondage," such as sickness, chaos, or confusion ⁷⁸.
- **Divine Health:** Sickness is identified as a demonic influence from Satan, not from God ⁹¹⁰.

Faith and Healing Practices

- **The Role of the Word:** Healing is achieved by aligning the mind with the Spirit and speaking Scripture out loud to renew the mind and increase faith ¹¹¹².
- **Physical Action:** Believers are encouraged to lay hands on areas of pain and command healing in the name of Jesus ¹¹.
- **Persistence:** Using the example of the woman with the issue of blood, the Pastor highlighted the need to press through obstacles and persevere in faith regardless of feelings or external opinions ¹³¹⁴.
- **Rejection of Negative Reports:** Believers should reject medical diagnoses or words that do not align with God's Word, as demonstrated by Sister Dorcas's testimony of walking again after being told she never would ¹⁵.

The Indwelling Holy Spirit

- **Permanent Presence:** The Holy Spirit is a permanent resident in the "living temple" of the believer, providing inner strength, guidance, and spiritual authority ¹⁶.
- **Fruit of the Spirit:** Walking in the Spirit produces love, kindness, humility, self-control, and the ability to forgive others unconditionally ¹⁷¹⁸.

- **Dependence on God:** Success in the Christian walk requires yielding independent control and depending entirely on the power of the Godhead (Father, Son, and Holy Spirit) 1819.

Next Steps

- **Intentional Application:** Believers are urged to "go out" and impact the world by applying these spiritual truths to their daily lives 20.
- **Future Topic:** The next session will cover the specific **gifts of ministry** and how different parts of the church body function together 21.
