**(201) 652-7045    1 HOLLYWOOD AVE.    HO-HO-KUS, NJ 07423**

**ITEM # 10WASH2**

**PUMPING AND PRESSURE WASHING**

This includes the complete pumping of the pool, removal of debris, and complete washing of pool surface with solution of muriatic acid or other cleansing agents as needed. Any stains or discolorations not removed by an application of full strength muriatic acid will be considered part of the pool coating. **SIBI POOLS** will open the pressure relief valves for hydrostatic water pressure as lowering of water and removal of debris permits, but will not be responsible for pool movement due to ground water conditions. The customer shall provide for the dumping of debris and leaves within a reasonable distance from the pool. Should any local permits be necessary for pumping of water, securing permits shall be the customer's responsibility. There will be an additional charge if the pool was not covered, and an excessive amount of debris exists in the pool. **SIBI POOLS** will exercise every reasonable precaution to prevent damage but cannot be responsible for water damage to property.

Up to 20' X 40' ..... \$1,275.00

**ITEM # PAINT**

**POOL PAINTING** – No painting will be performed without a signed proposal. Call the office for current prices.
