Conformance with the FSMA PSR-Add-on is not an assurance or guarantee of FSMA compliance. Legal compliance can only be determined by a regulatory authority, such as the United States Food and Drug Administration. This certification is based on observations during the inspection regarding the standards established by the FSMA PSR Add-on. No certification can prove an assurance that all food produced by the inspected operation is safe for consumption.

This Certificate of Conformance is only valid as long as the IFA Fruit and Vegetables certificate is valid.
