The YMCA Sports Philosophy is to promote fair play sportsmanship, fellowship, and fun. The sports leagues are for all participants to enjoy. If any player, coach, or spectator has to be disciplined during the season for unruly behavior, ejection from game, etc. the following rules will be applied: the first infraction that person will not be allowed at the regular scheduled game, on the second infraction that person will not be allowed to be present at any sports league game for the rest of the year.

I have read the above statement and understand the consequences. I will not hold the YMCA responsible for any accident of illness that may occur.
