About Us

Pregnancy
Support Center

OF SOUTHSIDE VIRGINIA

The Pregnancy Support Center(PSC) has been dedicated to helping women, men and families impacted by pregnancy in the Southside Virginia area since we opened our doors in 1984. Since inception, we have assisted over 8,000 clients. We are a non-profit organization, and **all our services are free** and confidential.

The PSC serves the counties of Amelia, Appomattox, Buckingham, Charlotte, Cumberland, Lunenburg, Nottoway, and Prince Edward with our main office being in Farmville and satellite offices in the counties of Amelia, Appomattox, Buckingham and Charlotte.

We serve those who have been impacted by pregnancy by offering quality pregnancy testing, limited obstetric ultrasound, options counseling, incentive-based classes in prenatal, infant care, toddler, parenting, fatherhood and co-parenting, and post-abortive support. These services allow our trained staff and volunteers to introduce hope through informed, quality, Christ-centered care.

The need for our services is great, and our funding is almost entirely provided by the generosity of churches, individuals, and organizations. Contact us for more information about how you can get involved!

We are a non-profit corporation with Tax ID Number 54-1254898.
