

A dolphin is shown leaping upwards, its body arched as it moves through a thick, multi-colored rainbow that forms a bridge-like structure. The background is a deep space scene with a dark purple and blue sky filled with stars and nebulae. Several planets are visible: a large, textured brown planet in the upper left, a greenish planet on the far left, and a large, orange-hued planet on the right. The dolphin's body is highlighted with a rainbow gradient, matching the bridge it is crossing.
