Harness the Power of the Sun

Reduce energy consumption from the grid and save money. Solar electric systems are efficient, low maintenance, and last a long time. Power your home with clean energy that protects our planet for future generations.

Save

- ✓ By installing solar, you can claim a 26% Federal Tax Credit. Consult your tax advisor.
- ✓ The immediate reduction in monthly electricity spending is usually enough to cover the solar loan payment.

**Greenpenny and its partner Decorah Bank & Trust Co.
have financed hundreds of clean and renewable energy projects.**
