We would love to tell you a bit of our story and invite you to join with us in seeing the dream fulfilled.

WHO WE ARE

Technically retired, although we prefer the term reFIREd we are both on pensions and have taken out a ‘Lifetime Mortgage’ to help fund our Legacy Dream Barn.

“Legacy Leadership” is not a registered charity, although we have a partner account with Stewardship through which you may wish to support us financially.

We are Trevor & Susie Harrington.

Four decades of ministering together with youth, families & leaders in church, charity & business.

Planting and bolstering churches has given us something unique to share with those looking for a fresh boost in ministry.

We made our house a home for those who needed one, be it for a few nights, a few weeks or even longer.

A passion for excellent hospitality has made our dining table a place for people to talk, laugh, cry, pour their heart, share stories, receive revelation and pray.

VISION

Our vision is to equip & disciple people in kingdom leadership via church, charity and business.

One of the ways we do this is through providing a safe, calm and beautiful space: a place where dreams can be realised and long forgotten prayers may be resurrected.

We believe that Legacy Dream Barn will enhance and expand these objectives.

"And it shall come to pass afterward, that I will put my Spirit on all flesh ; your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions" Joel 2:28

Legacy Leadership - gathering a cohort of 25 people every other month plus individual/small group mentoring.

THE WAY FORWARD

We are currently looking for faith-filled people who can share our vision to see the barn in operation for the building of God's Kingdom and His servants by supporting us with skills & resources. We believe we have around 90% of what we need - just looking for the final 10%

Our request is threefold:

1) Please pray for us that the resources we have will be sufficient to enable the dream to become a reality.

2) If you know of someone who may be able to journey with us in this faith venture by investing skills or resources into it - then please feel free to forward this to them.

3) If you are the person who would like to explore what investing in this journey with us looks like, we would love to hear from you.

Many many thanks to those who have stepped out in faith & supported us already.

God has been with us every step of the way in the journey of our lives, and we are so exhilarated that He has not stopped challenging us to believe Him for miracles, nor has He stopped calling us to find new ways to work with Him to build His Kingdom.

We hope you might feel called too, so that we can journey together.
