

Industrial Oil & Gas Waste Water Environmental Construction Mining

Quadra Pumps: Precision. Performance. Power

We are North America's leading turnkey pump solutions provider - technology-driven, market-focused, and built for the toughest industries.

From mining and oil & gas, civil infrastructure, refineries, and dewatering, we engineer high-performance pumping systems that keep operations moving across the Americas.

Quality. Innovation. Results.

That's the Quadra Pumps difference.

Quadra Pumps mission is to be the best in our field, partnering exclusively with top-tier suppliers to deliver the highest quality equipment to the market. We are committed to excellence, ensuring that our customers receive unmatched products and services to meet their needs and surpass their expectations.

Every pump package is equipped with a Cattron Global control panel

WWW.QUADRAPUMPS.COM

THE LINE OF CENTRIFUGAL PUMPS WE CARRY ARE DEVELOPED TO EFFECTIVELY MEET THE PERFORMANCE REQUIREMENTS AND DURABILITY TO POWER THE NEEDS OF A WIDE RANGE OF INDUSTRY APPLICATIONS WORLDWIDE.

EVERY QUADRA DIESEL POWERED PUMP SERIES HAS A STEEL EXTERIOR CONSTRUCTION, HEAVY DUTY HIGH TENSILE BEARING HOUSING WITH FULL STAINLESS STEEL INTERNAL WORKING COMPONENTS. THIS HIGH QUALITY DESIGN PROVIDES PREMIUM EFFICIENCY FOR HIGH HEAD/FLOW APPLICATIONS, FEATURING A STATE OF THE ART AUTOMATIC VAC ASSIST CHAMBER AND AN ENDURA SILICONE CARBIDE RUN DRY SEAL SYSTEM.

QPD-108HH17

A 10"x8" pump powered by a **350-450hp** industrial diesel power pack on a **tandem-axle bumper pull trailer**.

QPD-66MH12

A 6"x6" pump powered by a **74hp** industrial diesel power pack on a **single axle trailer**.

QPD-86HH22

An 8"x6" pump powered by a **550-650hp** industrial diesel power pack on a **tandem axle bumper pull trailer**.

QPD-64HH22

A 6"x4" pump powered by a **275hp** industrial diesel power pack on a **mid size tandem axle trailer**.

QPD-1210HH22

A 12"x10" pump powered by a **750-850hp** industrial diesel power pack on a **tandem-axle gooseneck trailer**.

QPD-88MH14-SA

An 8"x8" sound attenuated pump powered by a **130hp** industrial diesel power pack on a **single axle trailer**.

Aldergrove, British Columbia

Grande Prairie, Alberta

Midland, Texas
