Food-\$200

Hotel-\$300

Travel (gas or airfare)-\$350 -\$450

Uber/ Lyft - \$100

JEWELRY- (ZI and convention) \$400 this can be individually decided

Odds and Ends- \$120

Grand Total Per Person- \$1600 (*Approximate cost)

This is a 10 month plan- September-June since we don't no when/where convention is yet.

This amount is High for most people!!! Any extra can be shifted around as needed!

The number one key is to buy your ticket AS SOON as they go on sale as they are cheaper AND you'll get a pink ticket!

\$160 a month is what you need to save- that equals out to 71 pieces sold per month or 18.25 pieces a week- THATS IT!!!!!!!!!!!!

Do NOT touch this money once you have it set aside! You must pretend it's not there no matter what curveball life throws your way! I **guarantee** convention will help your business! Also remember your trip is a tax write off!!!!
