

Emergency Information Cards – PETS

Directions:

- To be used for household pets only
- Some households have multiple pets; list all on top two cards
- The 'Pet #' on the information card corresponds to the Pet # on the 'Pets in Residence' Card
- *Medical Documents:* Any medical documents / information that may be needed in addition to these cards, keep a copy with these records
- Keep the information current! As ANY information changes, keep these records updated.
- **NOTE:** Wallet size cards; 2 cards side by side are designed to be cut in one long strip and folded in half.
