Canadian Born Singer Songwriter Shimmer Johnson loves to dive into all different types of genres to spice up her songwriting ability. In 2021 she released her debut album "Inner Me", This album allowed Shimmer to display human emotion at a level no one else has ever done. Amazing messages within the songs that people really connect to. The songs are easy to sing along to. Shimmer's voice is full of tone and tamber making her so unique. Listeners tend to keep Shimmer on repeat. The 1st single "Priceless" off the Inner Me Album was played world wide on Radio. The second single was the re-imagined version of the 1980's Billboard Hit "Toy Soldiers". Shimmer's album is catchy, inspirational and addictive. A Self Produced recording at Catalyst Productions in Edmonton, Ab, Canada.

In 2019 Shimmer's Song "Breaking" Hit #8 on The Commercial Club Pop Charts With Music Week.
