Johnson Landscape (JL) will be working on a landscape design for you. We are excited to show you what we can do for you!

The fee structure for a JL design is as follows:

The design fee is waived if the following terms apply:

- 1. The proposed design has been accepted and a contract has been signed.**
- 2. If you choose to purchase at least \$1,000 worth of plants, rock, mulch, etc., in lieu of JL providing the proposed labor and installation.**

There is a minimum fee of \$250, which includes a basic design and one revision. You will be invoiced upon completion of the design services.

NOTE: If contact/communication is not received regarding the design within 30 days of receipt of the design, the design fee will be billed at that time.

Other restrictions may apply, JL professionals will use their own discretion on a per-project basis.

****Due to availability from suppliers, some plants may need to be substituted after the final design has been completed and approved. JL will make every attempt to substitute similar varieties, colors, styles, and/or sizes.**

By signing below, you show your understanding of the terms of this agreement. Thank you for your business and we look forward to working with you!
