

House Rules

1. Absolutely no alcohol and/or drugs on or off the premises while in housing. Narcotics and controlled substances are not allowed. We practice TOTAL ABSTINENCE from all mind-altering substances, legal or illegal including Spice, Kratom, Bath Salts and designer drugs. Medication-Assisted Treatment programs are allowed and must be reported to staff prior to use of the medication.
2. Daily Check in/out on the house Sign Out Board is Required. Nightly Curfew. Exceptions are made for work schedules and special circumstances with PRIOR approval. Program participants on probation/parole need PO permission. Curfew violators will be required to pass a drug test upon return. Urinalysis fee is \$35. For program participants on probation/parole, PO will be notified.
3. Submit to random drug/alcohol testing. If unwilling or unable to produce a sample for drug testing, program participant agrees to leave premises immediately and not return until a negative test result can be provided. For program participants on probation/parole, PO will be notified.
4. Agree to random searches of personal property on premises. We have an open-door policy with Law Enforcement, Probation/ Parole, and Court Service Programs. All program participants agree to be respectful and cooperate with all law enforcement regardless of supervision status.
5. Agree to abide by the Program Handbook and its contained policies including but not limited to Conduct, Harassment/Discrimination, Transportation, Drug Testing, Payment and Chores.
6. Smoking/vaping allowed outside only in designated areas. Smoking/vaping inside will result in discharged.
7. No visitors are allowed, to ensure our home remains Safe, Clean, and Sober.
8. Verbal or physical violence towards another program participant or staff will result in discharge.
9. Agree to make bed and pick up all personal areas and belongings before leaving each day. Further agree to complete shared house chores as posted on the Chore Schedule or assigned by the House Manager.

10. No romantic/intimate relationships with other program participants.
11. Agree to work a program of recovery while in housing. If not yet employed, agree to attend one AA/NA meeting or complete one hour of community service each day.
12. No pets of any kind are allowed in housing.
13. Only one vehicle per licensed program participant is allowed. Vehicle must be in good working order. Maintenance of vehicles is not allowed on or around property, under any circumstances. Verification of license, registration and insurance is required for vehicle to be on property.
14. If House Rules or Policies contained in the Housing Handbook are violated, you agree to whatever consequence deemed necessary by Staff ranging from a 24-Hour *Standout to Discharge. (*Standout - A specified number of days when a program participant is excluded from the house.)
