● WORK EXPERIENCE

27/05/2022 – CURRENT – Ankara, Turkey

TEAM LEADER – BYS GROUP

Name of assignment or project: LD 7001 Strengthening Healthcare infrastructure for all (SHIFA) financed by the European Union under the Facility for Refugees in Turkey, Technical Assistance for the provision of capacity-building measures to the Ministry of Health in Turkey for the Strengthening Healthcare infrastructure for all (SHIFA) project.

Contract Value: € 500.000

Client: The Council of Europe Development Bank (CEB)

Main project features:

The purpose of the consultancy services is to strengthen institutional capacities by providing support to the Ministry of Health and associated institutions with the implementation of the project.

In this assignment, the consultant will establish and manage a robust monitoring system for the project (Monitoring Management Information System - MMIS), including project risk management capabilities and reporting outputs on the MMIS and risk management. Under this assignment, the consultant will provide services under the work packages (WPs) described above WPs 4, 5, and 6 (partially).

1. Monitoring and Reporting (WP04); MMIS software.

2. Risk Management (WP05)

3. Capacity Building (WP06)

Positions Held: Team Leader

Activities Performed:

The Team Leader deals directly with the CEB and takes responsibility for managing and coordinating all products and services requested by the CEB within the Terms of Reference of the Project as well as the Technical Proposal of the Project. He oversees, inter-alia, the supply of the services described in this specification, within the deadlines laid down by the Technical Proposal and Inception Report to be prepared, and is in charge of quality control and technical management aspects of the contract as well as his own duties as an Expert.
