A simple mix of Woodford Reserve, Demerara & Angostura bitters.

COCKTAIL CLUB - ANY TWO FOR £15

- Chic-a-Cherry Cola**  9.50
Cherry Cola's great but we're adults with free will, so we've made it boozy and it's all the better for it.
- Flat White Martini**  10
Everyone's favourite coffee order, we've just found it's just better if you add Bailey's & Kahlua.
- Salted Caramel Moloko**  10.50
Milkshake vibes, with Absolut Vanilla, Kahlua & Caramel, Sing it back.
- Sweet As Strawberry**  10
It's giving Strawberry? (This is our attempt at trying to use Gen Z language to appear young, cool & 'with it', not sure we've nailed it)
- Watermelon Sugar**  9.50
If you like watermelon you'll really like this but I don't like watermelon and still really like it, hope this information is useful.
- Frozen Pornstar Martini**  10
How do you make a PSM better, make it into a slushie!

- Negroni**  10

Oh yeah sure, it's fruity, but it's also got more rum than you can shake a stick at. And trust us on that, we've tried shaking sticks at lots of rum.
- Something In The Orange**  10
Tarquin's Blood Orange Gin doing some real heavy lifting in this Clover Club riff.
- Frozen Strawberry & Lime Daiquiri**  10
The perfect addition to a sunny day!! But we've also tried it in the rain as well and it was still nice. Guessing it tastes pretty good in the snow too.

A long fruity concoction of melons, pineapples, citrus and added bananary goodness for the Gorillaz.
- Hugo Spritz**  9.50
