This Code of Conduct is a guideline for all matchmakers associated with our academy, ensuring that our practices reflect our mission to elevate the industry and foster meaningful, lasting connections for our clients.

- **Confidentiality:** Respect and protect clients' privacy and personal information. Confidentiality agreements must be honored at all times.
- **Truthful Claims:** Do not make false claims about success rates or create fake positive reviews to mislead potential clients. All testimonials and success stories must be genuine and verifiable.
- **No High-Pressure Selling:** Avoid engaging in high-pressure sales tactics. Ensure all sales interactions are ethical and respectful.

2. Client-Centered Approach

- **Respect and Empathy:** Treat all clients with empathy, understanding, and respect. Acknowledge their needs and preferences and strive to provide a supportive and positive experience.
- **Informed Consent:** Ensure that clients fully understand the matchmaking process, including the potential outcomes, limitations, and any associated costs, before they commit to the service.
