

Unleash the Power of Leasing On Your Next Automotive Equipment Purchase!

FUNDING SOLUTIONS FOR ANY SIZE BUSINESS

You know how important it is to have the necessary tools and machinery to keep vehicles on the road. You also know how expensive it can be to make sure your equipment remains up to date.

Leasing provides solutions for any size business.

Imagine the opportunity to purchase any equipment you need now, without the upfront costs associated with a new equipment purchase.

Rossi Automotive has partnered with Tri-Lease to offer you affordable, personalized and flexible leasing options.

The Advantages Of Leasing Equipment.

- Easy – one page application
- Flexible – pick your term and payment date
- Fast – Decisions are made in less than a day (most cases)
- Line of Protection Credit – no interference with your key borrowing lines of credit
- No Collateral Needed – no blanket liens or compensation bank balances required
- Personal Credit Protection – your account is recorded as a business expense, not a personal debt
- Avoid Equity Positions – installation, training and delivery are all-inclusive
- Generate Revenue – improves productivity while allowing equipment to pay for itself
- Off-Balance Sheet Accounting – encourages a dollar-for-dollar expense for usage without reporting the asset on your books
- More Benefits- Leased equipment is tax deductible. New or upgraded equipment can be added at any point during the lease term.
