### Holiday Lights

Everyone enjoys holiday lights. Don't be a Scrooge and keep them up past **February 28th**.

Please remember the following rules in the Architectural & Landscaping Control Manual .

**Commercial Vehicles**  
Commercial Vehicles are **not** permitted in driveways.

**Number of Vehicles in Driveway**  
Up to four (4) vehicles are permitted in the driveway and **must not block the sidewalk**.

### Mold

Houses should be clean & free of mold. There are a number of products that are designed to remove mold. Before winter sets in, now would be a great time to walk around your house and inspect it for mold growth.

### Weeds

Willow Creek is known for it's beautiful park like setting. Please make sure that your yard is free of weeds.
