Birds are chirping, flowers are blooming and spring is here.

Here are some reminders to help maintain the beauty of our subdivision.

- Please ensure that all Christmas holiday decorations have been taken down and stored.
- Our lawn grass should be cut and mowed regularly and kept no higher than 6". Our property should be maintained free of weeds.
- No one wants to see garbage/trash cans sitting out so please keep them stored within your dwelling or garages and remember to bring them in at end of trash pick up day.

Observed Holidays impacting trash pickup:

Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas and New Year's Day

- Your safety is our #1 concern. Unfortunately, the Waters of Willow Creek Subdivision are not safe! Please protect yourself and your neighborhood by refraining from **SWIMMING** activities in either the West or East Ponds. This also includes **NO BOATING, KAYAKING, RAFTING or FLOTATION DEVICES.**

Thank you for your understanding and cooperation.

Let's Go For A Walk !

Nothing like going for a walk with our favorite friend, but let's be respectful of our neighbors and comply with the City Ordinance of keeping them on a leash and cleaning up after their poop.

POND AREA WILDLIFE

We request that you refrain from feeding the geese that inhabit our ponds and open areas. According to the US Department of Animal, Plant and Wildlife Services, this only attracts the geese and does not support their natural habitat.

Keeping Our Neighborhood Safe

West Chicago and the surrounding suburbs are experiencing an increase in cars being broken into. Please take a look at these tips from the West Chicago Police Department on how to decrease your chances of becoming a victim.

- Keep your cars locked when parked on the street or driveway.
- Park your cars in the garage.
- Do not leave your car running with the key in it.
- Do not leave valuable's visible.
- Call 911 if you see anything suspicious.

The Board has received questions regarding the hosting of Block Parties. Although the Board does not coordinate a Neighborhood Wide block party event, we do encourage the spirit of Community. Homeowners are welcome to organize an event on their street, or among their neighbors. The Board can sponsor your event on some scale if you have ideas on how we can contribute.
