

VERTIPORTS & AIRPORT INFRASTRUCTURE
PANEL

The Vertical Mobility Economy & the \$16.6B Infrastructure Gap

- Moderator: Rex Alexander
- Michael Dymment, NEXA Advisors
- Clint Harper, Harper 4D Solutions
- Dan Mojica, Vertiport Chicago

Advanced Air Mobility is nearly ready to fly — but will infrastructure affordably deliver AAM's full promise? A clear-eyed look at the national build-out across **62 U.S. metro markets**, **what it costs**, and **who will pay for it**.

YOUR TURN

Bring your questions to the floor.

The session closes with an **open audience Q&A**. Come ready to press on the numbers, challenge the assumptions, and help shape the roadmap for America's national AAM network. Every seat in the room is part of the conversation.

› Who pays? PPP & bond structures

› Vertiport siting across the 62 markets

› Air traffic management at scale

› OEM readiness & the capital gap
