

COMPANY PROFILE

ABOUT US

Our company was originally established in Al-khafji as one of the most important providers of supply services at Al-khafji.

The company is an extension of a family business which is continuously progressing over 40 years in its business operation and aims to meet the customers need of industrial tools, safety equipment, onshore/offshore materials.

We considers our customers as partners; accordingly, the company is committed to them. This committed includes: quality products, pricing, service, and on-time delivery.

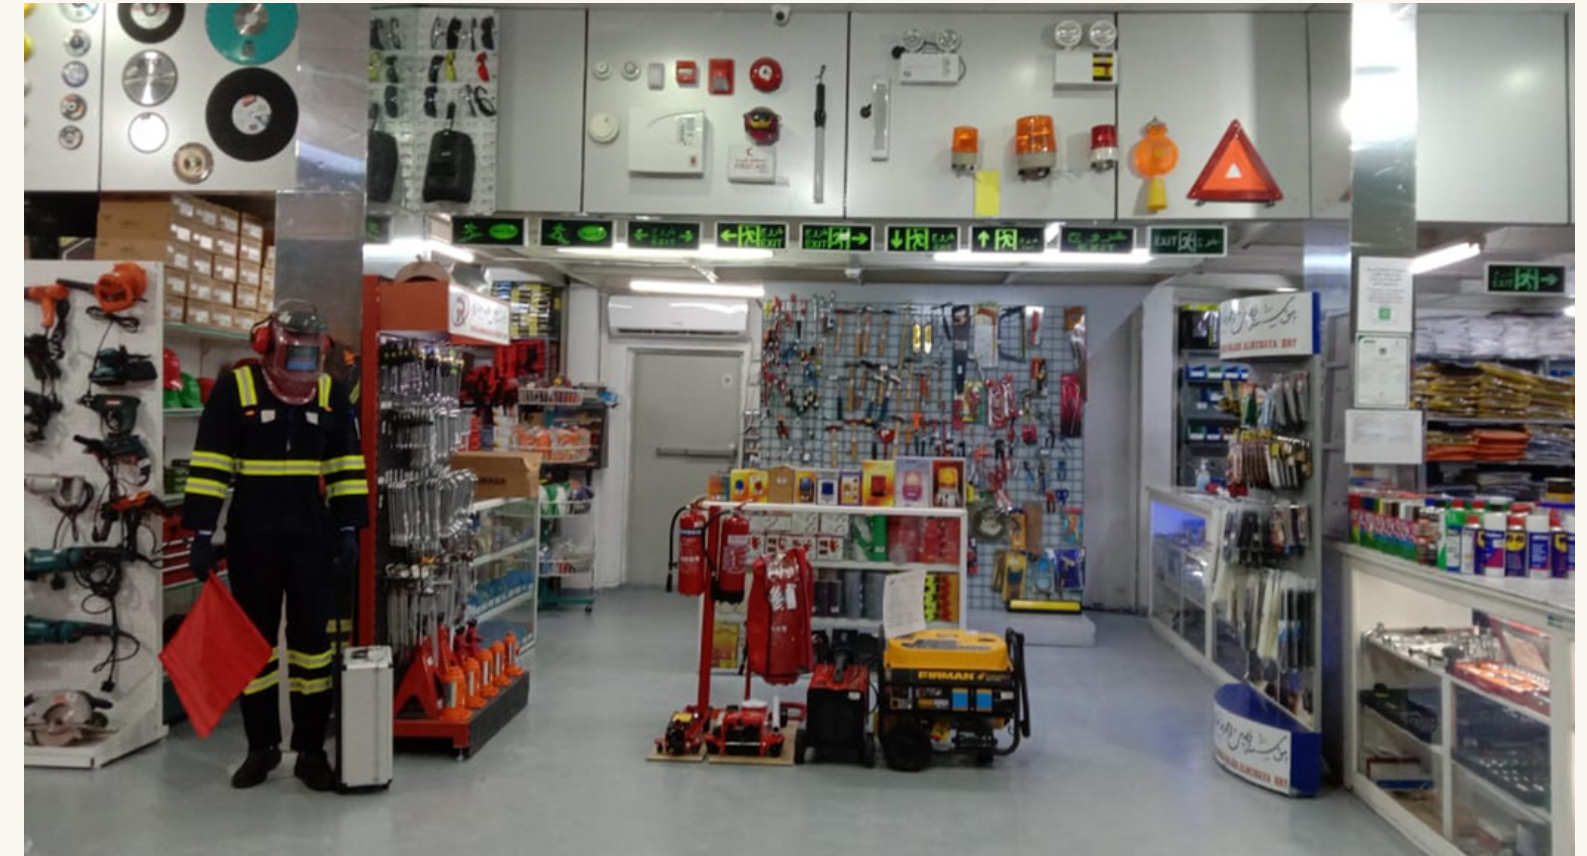

VISION

Our vision is to become a leader in our sectors and specialties in Alkhafji city by taking initiative to always upgrade and adapt to the changes in the world, while continuing of commitments to provide the best quality of the materials and services.

MISSION

Our mission is to provide reliable services by focusing on safety, quality and customers satisfaction with looking forward to expand and develop our service in the future.

CORE VALUES

- Continuous development.
- Discipline and accuracy.
- Follow quality standard.
- Effective communication.
- Excellence in service.
