Re: Covid-19 Policy for All Approved POA Shows and Events Starting June 1, 2020

POAC NATIONAL COVID-19 WAIVER

All 2020 POAC National Approved Shows and Events will be required to have every family sign the attached waiver when they arrive on the show grounds, prior to participating in ANY POAC approved show or event. In the event that a family representative is not present, the waiver must be completed by the trainer or guardian representing any youth participating in the show or event. Please list all names on the bottom of the last page that the waiver covers, including adult and youth present on the grounds for the family the waiver covers. This waiver is required. If a family refuses to sign this waiver, they will not be allowed to participate in the POA Approved Show or Event, and must be asked to leave the grounds. No point will be awarded to any exhibitor or POA that does not have a signed waiver submitted with the show results. This must be strictly enforced to protect both the state and national clubs regarding Covid-19. You must follow all state and local CDC guidelines when hosting your shows to make sure you are following the required protocol. If you are unable to have your approved shows, you must notify the POAC National Office so we can make adjustments to the published Coming Events section of our website immediately. Also, no additional approved POAC shows will be approved before August 1, 2020. You may submit new show dates for shows after August 1, 2020 and will be granted approval depending on POAC National guidelines and availability.

If you have any questions, please e-mail the office or you can call after June 1, 2020, as the staff will be working hard once again! Thank you for your understanding during this very critical time across the country. Please stay safe and healthy!
