

## Over the Rainbow

Melody	Harmony
Somewhere over the rainbow, way up high There's a land that I've heard of once in a lullaby.	
Somewhere over the rainbow, skies are blue And the dreams that you dare to dream, Really do come true.	Somewhere over the rainbow, skies are blue And the dreams that you dare to dream, Really do come true.
Someday I'll wish upon a star and wake up where the clouds are far behind me, Where troubles melt like lemon drops, away above the chimney tops, That's where you'll find me.	Someday I'll wish upon a star behind me,  Where troubles melt like lemon drops, That's where you'll find me.
Somewhere over the rainbow, blue birds fly, Birds fly over the rainbow, why then, oh why can't I? If happy little bluebirds fly beyond the rainbow Why, oh why can't I?	Somewhere over the rainbow, blue birds fly, Birds fly over the rainbow, why then, oh why can't I? If happy little bluebirds fly beyond the rainbow Why, oh why can't I?
