REQUEST FOR QUALIFICATIONS
RFQ# 2026-037

On-Call Structural and Seismic/Disaster Engineering Services

Submittals due by 2PM (Pacific Time), December 2, 2026

The City of Seattle Department of Finance and Administrative Services (FAS), Capital Development Division (CD) is seeking multiple qualifications for On-Call Structural and Seismic/Disaster Engineering Services.

The City of Seattle Finance and Administrative, Capital Development (FAS/CD) division owns and maintains a large portfolio of building across the City. There is a continuous need for facility assessments to ensure safety and functionality. FAS/CD is seeking two qualified professional firms for on-call structural engineering assessments, analysis, design, feasibility cost estimates and construction administration.

The preferred Consultant Teams would have experience with structural engineering studies, option analysis, monitoring, recommendations, confidence testing, reporting, seismic evaluations, fall protection, plan review, preparation of construction documents stamped by a licensed engineer, permitting, ability to act as prime consultant on a project and manage construction administration and inspection as related to all structural elements of new and existing City facilities which require expert witness.

TO RECEIVE A COMPLETE COPY OF THE FULL RFQ, MANDATORY FORMS, AND THE CITY'S BOILERPLATE CONSULTANT CONTRACT TERMS, PLEASE VISIT THE NEW CITY OF SEATTLE PROCUREMENT WEBSITE AT:

https://procurement.opengov.com/login

New consultants must complete a brief, free online registration on the site prior to viewing, printing, and saving the RFQ. Please also subscribe to the City of Seattle in OpenGov.

Questions will be received in OpenGov through November 18, 2026, 5:00 pm, and answers will be provided by the City's Project and Contract Managers.

Consultant selection for this RFQ is subject to all applicable laws and ordinances. The participation of women- and minority-owned firms is a priority cultural value of the City of Seattle and is strongly encouraged at all tiers.

For additional questions contact the RFQ Sr. Project Manager Brett Richardson Brett.Richardson@seattle.gov
