WSDOT I-405/SR 167 Program Workforce Staffing Needs

Topic Statement

The I-405/SR 167 Megaprogram is advertising and recruiting to fill many positions at this time, with additional positions opening throughout the year. The I-405/SR 167 Megaprogram currently has job opening in our offices located in Renton, Bellevue, and Kirkland. The jobs range from entry level office staff, construction inspectors and materials testers to senior level project managers. We would like to invite the diverse business community to help us fill positions by advertising within their business community and with family members and friends that may be looking for job opportunities working in strong, collaborative, team environments. We have great career opportunities, employee benefits, and fabulous team members.

Lisa Hodgson, P.E.
I-405/SR 167 Program Administrator
Washington State Department of Transportation
HodgsoL@wsdot.wa.gov

Lisa Hodgson is the Program Administrator for WSDOT's I-405/ SR 167 Program. She has been with WSDOT for 28 years and with the I-405/SR 167 Program since 2002. Lisa is responsible for administering over 2 billion dollars in multimodal projects between Auburn and Lynwood, on the I-405 and SR 167 corridors. Having successfully delivered multiple Design Build projects, Lisa enjoys sharing her expertise in Design-Build project delivery. Lisa earned her Bachelor and Master of Science degrees in Civil Engineering from Washington State University and is a licensed Professional Engineer. In her free time, Lisa enjoys camping and traveling with her husband and daughter.

Robert "Rob" WoECK
I-405/SR 167 Deputy Program Administrator
Washington State Department of Transportation
WoECKRo@wsdot.wa.gov

Rob WoECK is the Deputy Program Administrator for WSDOT's I-405/ SR 167 Program. He has been with WSDOT for seven years and with the I-405/SR 167 Program since 2019. Rob is responsible for assisting the Program Administrator in administering over 2 billion dollars in multimodal projects between Auburn and Lynwood, on the I-405 and SR 167 corridors. Prior to joining the I-405/SR 167 Program, Rob was the Environmental Manager overseeing and managing the Environmental office of the WSDOT Northwest Region for King and Snohomish counties. Rob is known for his multidisciplinary, strategic, positive, and collaborative leadership abilities. Rob earned his Bachelor of Science degree in Wildlife Biology, with a minor in Statistics/Quantitative Science from the University of Washington. In his free time, Rob enjoys outdoor activities, especially hiking and mountain climbing.
