GRIT CITY CONNECT

Grit City Connect is a networking event co-hosted by the City of Tacoma, Tacoma Public Schools, Parks Tacoma, and the Port of Tacoma. This contracting forum brings together industry leaders, government agencies, and subcontractors to explore current and future contracting opportunities.

This forum is designed to:

- Facilitate meaningful engagement between prime contractors and subcontractors.
- Share insights into upcoming projects and procurement needs.
- Promote networking and partnerships within our contracting community, so do not forget your capability statements!

Don't miss this opportunity to connect directly with public agency staff, prime contractors, and technical assistance providers!

If you're a subcontractor looking to grow your business, gain visibility, and learn about upcoming contracting opportunities — this forum is for you.
