

# Diversity in Contracting

## Port of Seattle Inaugural Architecture & Engineering Industry Day - June 2nd

Are you a diverse or small business in architecture, engineering, or the design field? If so, join us at our Port headquarters for our inaugural Architecture & Engineering Industry Day for an opportunity to connect with Port project managers, some of the Port's key consultants, and learn tips and tricks on landing a consulting contract at the Port.

This event will feature both a virtual presentation on Microsoft Teams in the morning as well as in-person networking and scheduled 1-on-1 meetings with primes at Pier 69 in the afternoon.

**Online Presentation: 9AM - 11AM**  
(Microsoft Teams)

**Tuesday,  
June 2nd**

**In-Person Networking: 2PM - 5PM**

(2711 Alaskan Way Seattle, WA )

[Register Here](#)

The in-person networking at Pier 69 will consist of an exhibitor walk and scheduled 1-on-1 meetings. Those who register and indicate they will attend the networking portion will be sent an email in the next few weeks on how they can register for 1-on-1 meetings.

For any inquiries, please reach out to Diversity in Contracting Community Engagement & Training Program Specialist, Kelvin Dankwa at [dankwa.k@portseattle.org](mailto:dankwa.k@portseattle.org)
