

You are invited to join Balfour Beatty Construction (Howard S. Wright) this Friday, **March 10th, 2023 at 11am** for a virtual **Diverse Partner Engagement** event on Microsoft Teams!

We would like to engage with existing and new diverse commercial construction trade partners and share some of the things we are working on.

The agenda of the event will be to quickly walk through steps for engagement with Balfour Beatty Construction (Howard S Wright), provide an overview of current and upcoming project opportunities and host a Q&A for any questions for our project teams.

Engagement topics will include reviewing how to access our bid documents, prequalify, the subcontracting process, bonding, project labor and union affiliation requirements.

We look forward to seeing you and discussing the opportunity to work together in the future!

Please save the following Teams information on your calendar for our meeting Friday, March 10th 11:00-11:30AM.
