

Construction Trades Networking Opportunity

Oakland High School was originally constructed in 1912 as an elementary school & is on the City of Tacoma's register of historical places. During the remodel, the outside will remain intact while the inside will be improved.

Planning & Design is scheduled to begin in March 2023, with construction beginning in March of 2024. The newly renovated school is slated to open in September of 2025.

LEARN ABOUT:

- Project Overview.
- Diversity & local participation goals.
- Connection opportunity for Primes & Sub-Contractors

DATE:

Tuesday, December 13, 2022

TIME:

4:00 - 5:00 p.m.

LOCATION:

Oakland High School
3319 S. Adams ST, Tacoma

Attendance is not mandatory for project participation, but is encouraged to maximize networking opportunities.

We encourage all participants to bring business cards & if possible, a one-page description of the work your business does to share with contractors.

Disadvantaged businesses are encouraged to participate to learn about sub-tier opportunities in addition to the primary sub-contractor opportunities. Tacoma Public Schools has the following disadvantaged business inclusion expectations on this project:

- 30% local businesses (Pierce County headquarters)
- 10% certified minority-owned businesses (MBE)
- 6% certified women-owned businesses (WBE)
- 5% certified small businesses (SBE)
- 15% apprenticeship
